The MacLaren Suite

Room To Celebrate

The MacLaren Suite is Stirling Highland's largest room, with plenty of space to celebrate in style.

Once a grand school assembly hall, this beautifully spacious room has been transformed into an elegant setting for celebrations. Adorned in soft, harmonious colours, it is once again ready to welcome large gatherings for joyous occasions.

The large arched windows allow natural light to cascade through the room, and the high, vaulted ceilings adorned with dramatic wrought iron chandeliers cast a soft, romantic glow over ceremonies and wedding breakfasts.

Relax and get ready before your big day in your own personal dressing room, with space for the whole bridal party.

We believe that great cuisine starts with the finest ingredients, which is why we source fresh, high-quality produce locally whenever possible. Our menus celebrate traditional Scottish roots, reimagining classic dishes with a modern twist.

Fancy a wee dram? Join us in the Headmaster's Bar for a tippie. This cosy nook, right next to the restaurant, is the perfect place to sink into a chair and catch up with friends or family before or after the big day.

Stirling

A wee city with a big history, Stirling is filled with remarkable attractions and spectacular scenery. If you love castles, history, storytelling and that magical feeling of being transported back in time, Stirling is the city for you.

Spend time taking in the magnificent views from Stirling Castle's hill-top esplanade towards the National Wallace Monument on the edge of the rolling Ochil Hills before looking north-east for the mountain peaks of Loch Lomond & The Trossachs National Park.

Savour delicious food and drink in friendly pubs, cosy cafes and buzzing restaurants, or browse the local farmers' markets and independent boutiques, all in the historic surroundings of the Old Town and the Victorian Stirling Arcade.

The Observatory

In 1889, Sir Henry Campbell Bannerman gifted the school an observatory. The observatory's 130-year old telescope remains in perfect working condition on the hotel rooftop to this day. Architect Sir James MacLaren designed the observatory tour, and our ceremony room is named The MacLaren Suite in his honour, creating a beautiful connection between the building's history and your special day.

With stunning panoramic views as far as the eye can see, our observatory provides the most magical backdrop for unforgettable photos.

For Every Celebration

The Stirling Highland Hotel is the perfect location to host any private event or occasion, from baby showers and gender reveal parties, to christenings, birthdays, graduations and celebrations of life.

In addition to our magnificent MacLaren Suite, which can accommodate up to 100 people, we have five other function spaces where we can host between six and 90 guests. So whether you're arranging an intimate

banquet or a blow-out birthday party, we have the perfect space for you to celebrate.
